**GREEN  
PASTURES  
SOCIETY™**

## WHAT WE DO BEST:

We connect low-income families to government financial benefits/supports and activate hidden financial/economic opportunities to power their transition from poverty into sustainable livelihood. Over the past eight years we have harvested over \$ 4 million in benefits for our clients. We make sure you get all the benefits you are entitled to!

## WHO WE SERVE:

We serve low-income families including New Immigrants, Senior Citizens, Students, The Homeless, Refugees, Single Parent Families, Native Canadians, Social Workers, Front Line Workers, Food Bank Users, The Unemployed, Entrepreneurs, People who think they are paying too much taxes, anyone who needs to know the government benefits they are entitled to.

## CAN WE BE OF HELP TO YOU?

Are you getting all of the financial benefits you are entitled to?

Get your ***Financial Benefits Check Up Today!*** Find the money you have left on the table! Is your organization interested in knowing how our services can help your clients to get the financial benefits they are entitled to? Let's talk!

## Green Pastures Society™

**Voice of the Voiceless!**

***“Showing the Way out of the Labyrinth”***

“Connecting low-Income persons and families to financial supports, solutions and economic opportunities.”

- We connect low-Income persons to financial supports, solutions and economic opportunities.
- We train Agencies in implementing Financial Advocacy solutions to empower the people they serve.
- We conduct research and develop solutions to empower low persons transit poverty into prosperity.
- We empower Agencies serving the Poor to conduct Operations Review to identify and redeploy Hidden and Wasting Assets to fund strategic activities and projects/programs.
- We educate to mobilize allies to empower low income communities through Community Service.
